#### MILLÉSIME

We produce so much quantity of our Bourgogne Côte Chalonnaise La Fortune that we decided to propose it only to professionals. You can buy it to good restaurants and cellarmen.

#### DÉGUSTATION

True to its reputation, the Fortune is a wine with Pinot Noir fruit, a nose open to notes of red fruits, almost crushed strawberries.

The palate is fresh, juicy and digest. Very open from the start, closes mid-tasting and becomes once again crunchy on the finish thanks to it already fine tannins.
