## RULLY 1ER CRU CHAMPS CLOUX

---

2023

---

### DÉGUSTATION

The Rully 1er Cru Champs Cloux 2023 presents itself as a fruit-driven wine, with an almost iodine-like nose. The palate is "gourmand", with a beautiful aromatic freshness. The tannins are polished due to vinification with only 20% whole bunches. Everything revolves around the fruit and its juice, the kind that makes the mouth water and encourages another glass. To drink now or within three years.
