BOURGOGNE

SAINT AUBIN 1ER CRU LES PERRIÈRES

2020

DÉGUSTATION

This wine offers a complete nose, finely oaked and subtle at the same time. It oscillates between fresh vanilla, citrus notes and a mineral sensation related to the stones.

On the palate, we find light bitter notes of grape skins which come to complement the body without altering its touch and a very silky texture. Its core will soften over time. This is an energetic wine, with a beautiful saline persistence on the finish.

To drink on fruit and bitter notes, or wait two to five years.
